

1 John 4

1. What are we to “test,” and why?
 - a. Using Acts 17:2-3 & 11 for help if needed, what standard are we to use for this testing?
 - b. According to 1 John 4:6, what standard are we to use for this testing?
2. What particular error was troubling the people of John’s day? (see vs. 2-3 for help)
3. As discussed in chapter 2, was there only one “antichrist?”
 - a. What misconception do many people today have about “antichrist?” (especially premillennialists and eschatologists)
4. What advantage do Christians have over errorists and other worldly minded people?
5. What / who do worldly people have a tendency to listen to?
6. What does John twice affirm about the nature of God? (see vs. 8 & 16 for help)

7. How did God manifest His love to mankind?
8. What does 1 John 4:12 say that man cannot do regarding God?
 - a. What additional information was given about this to Moses in Exodus 33:20?
9. Fellowship with God is obviously not based upon *sight*: Using verses 13-17, list as many things as you can think of that fellowship with God **is** based upon:
10. What is “cast out” by perfect love?
11. Why do we love God?
12. Can one love God while hating his brother?
