

## 2 Corinthians 10

- 1) What accusation does Paul address in verse 1? (*compare also verse 10*)
- 2) What accusation does Paul address in verse 2?
- 3) Explain the nature of the Christian's warfare:
  - a) What is the battle objective according to verse 6?
- 4) What special authority did the apostles possess?
- 5) Explain Paul's irony in verse 9:
- 6) As referenced above, Paul speaks facetiously to one of the accusations about him in verse 10. In a sharp turn, what *serious* warning does he issue in verse 11?
- 7) What does verse 12 teach about improper *standards*?
- 8) In verses 13 and following, Paul discusses a kind of *jurisdiction*:
  - a) To what type of jurisdiction does he refer?
  - b) What accusation was apparently made against him in light of this explanation about the extent of his apostolic domain?
