

Acts of the Apostles
Chapter 15

1. Who came to Antioch? From where? What were they teaching?
2. What did this false teaching imply about the gospel power of salvation?
3. How were the brethren from Antioch received in Jerusalem, and what discussion arose?
4. What method of discussion and resolution of the issue do we find used regarding this teaching?
5. What proof did Peter offer about this question?
6. How did Peter describe the false teaching, and what conclusion did he draw?
7. What prophecy did James relate that Peter had been the instrument of fulfillment?
8. What four things did James say that the Gentiles should do?

9. What does Gen 9:4 have to do with James' statement concerning the things that were taught in the synagogues?

10. What decision was made about the false teaching and how to halt the spread of it in Antioch, and who made the decision?

11. What disclaimer was made in the letter concerning the false teachers?

12. How was the letter received at Antioch, and what do we learn about Judas and Silas and why were they sent with Paul and Barnabas?

13. What did Paul suggest be done, and what problem arose?
