

## Acts 24

- 1) Before what Roman official does Paul appear in this chapter?
- 2) Who came down (from Jerusalem) to accuse Paul? What group did Paul mention as being absent at this trial?
- 3) What was the role of "Tertullus," and who did he represent in the events described in this chapter?
- 4) What charges did Tertullus make against Paul?
- 5) From Paul's defense,
  - a. List the things that Paul *did not do* while he was in Jerusalem:
  
  - b. List the things that he *did do* in Jerusalem:
  
  - c. Explain the significance of his mentioning these things:
- 6) What "one thing" did Paul acknowledge saying, that could have provided a basis of accusation against him?
  - a. In light of verse 15, was Paul "wrong" in his statement?
  
  - b. From what Paul claimed in Acts 24:20, 21, can it be said that he was "wrong" in his actions towards the high priest in Acts 23:3-5?
- 7) What other Roman official did Felix wish to involve in the trial?
- 8) What subject matter was discussed when Felix and Drucilla met with Paul?
- 9) How long did Paul stay at Caesarea? Who replaced Felix as governor during this time? Why didn't Felix release Paul?
