

## Deuteronomy 10

1. What process did Moses describe in verses 1-5 and 10-11?
  - a. In what way was the 2nd set of Ten Commandments different from the first set? (see Exodus 32:16 & 34:1 for help)
  - b. *Thought question:* In typical Deuteronomy style, what actions did Moses condense and abbreviate in these first 5 verses?
  - c. How long was Moses on Sinai the second time?
  - d. What does verse 10 say that *the Lord* did during Moses' second stay on the mountain?
  - e. What had God *intended to do* with regard to the Israelites following the golden calf incident?
  - f. Why did this not happen?
2. Most Bibles have verses 6-9 set off by parenthesis and their placement in this passage is confusing to many Bible students. What explanation would you give for their placement here? (*note: the answer to question 1f may have something to do with this*)

3. Concerning the place of Aaron's death, how do we reconcile Numbers 20:27-28 with Deuteronomy 10:6?
  - a. Who was anointed priest in place of Aaron?
  - b. What jobs were the Levites to do?
  - c. Why didn't the Levites receive a land inheritance?
4. Why are verses 12 and 13 important, even today, even to New Testament Christians?
5. According to verse 15, why were the Jews privileged to conquer Canaan?
6. To what type of circumcision does Moses refer in verse 16?
  - a. How does Romans 2:28-29 relate to this requirement?
  - b. What is circumcision under Christ? (Colossians 2:11-12)
7. Why were Jews to be helpful to sojourners?
8. Deut. 10:20 (and 6:13) authorized "swearing by God's name." How does this harmonize with Matthew 6:33-37?
