

Deuteronomy 34

1. It is obvious that Moses did not write this last chapter of Deuteronomy. Who was the likely writer? (*hint: some old texts actually place Deuteronomy 34 at the beginning of this man's book*)
2. Where did God take Moses to view the land?
 - a. How much of the land did Moses see?
 - b. Why was Moses shown the land from afar, and not permitted to enter it?
 - c. What other major event happened there? (*at least, in that general area*)
3. Who is again identified as the original recipients of the land *promise*?
4. Where was Moses buried? (*be prepared to explain...*)
 - a. How long was he mourned by the people?
5. What observations are made about Moses' physical and mental qualities at the time of his death?
6. What observations are made about his role and work as a prophet?
 - a. In what unique way was Moses different than other prophets?
