

Exodus 25

- 1) How were materials to be acquired for the building of the Tabernacle and its furnishings?
 - a) What principle of giving does Exodus 25:1 have in common with 2 Corinthians 9:7?
- 2) According to verses 9 and 40 of this chapter, what was to be followed in the construction of the Tabernacle and its furnishings?
 - a) What other important Old Testament structure was built using this method? (*for help see 1 Chronicles 28:11*)
 - b) What can we learn from the fact that Hebrews 8:5 also cites this method?
- 3) What was the purpose of the Ark of the Covenant?
- 4) Provide a brief description of the Ark with respect to:
 - a) Its dimensions?
 - b) The type of wood and plating used?
 - c) Equipment for transportation?
 - d) Special features of its cover?
- 5) Explain what violation later occurred with respect to the transportation of the Ark: (*see 1 Chron. 13:7-10*)
 - a) How was this violation punished?
 - b) How was the violation corrected? (*see 1 Chron. 15:11-15*)
- 6) Explain the purpose of the "table" that was to be built:
 - a) What vessels would be placed upon the table (*and if not already answered, for what purpose*)?
- 7) Using just one or two words, describe the lamp stand:
 - a) What was the purpose of the lamp stand?
 - b) How much gold went into its construction?
