

## Job 28

1. Job speaks of the mining and finding of precious metals and gems in this chapter, but that is not his purpose: What is Job's real point in this chapter? (see verses 12, 18 and 20-28 for help)
  
2. Where do no lions or birds dwell?
  
3. List the various elements and gems that Job mentions as being mined or discovered upon the earth:
  
  
  
  
  
  
  
4. Where is wisdom NOT found, according to Job?
  - a. To borrow Job's words in verse 12, "Where can wisdom be found?" (for help see James 3:17)
  
  
  
  
  
  
  
  - b. Wisdom is worth more than what, according to Job?
  
5. What do "destruction and death" say about wisdom?
  
6. How much does God see?
  
7. What field of science does Job describe in verses 25 and 26?
  
8. What things are "wise" for man to do?
