

Joshua 11

1. What king organized a great collection of other kings and armies against Joshua and Israel?
 - a. How are they described in verse 4?
 - b. Also in v. 4, what military equipment and assets did they have?
 - c. Where did this great battle occur?
 - d. How did the battle go?
 - e. What remark is made later, in verse 20, as to why this outcome occurred?
 - f. As instructed by God, what did Joshua do to the horses & chariots?
 - g. *Thought question:* Horses are strong and fast animals. From the standpoint of mere imagery, what might have been the significance of hamstringing them?
2. From verse 10, what was the relationship of Hazor to the other places represented in this alliance?

3. What did Joshua do to Hazor that he did not do to the other cities (at least those built upon “mounds”)?
 - a. As described in chapters 13 and following, what was done with the Canaanite cities?
4. How is Joshua commended in verse 15?
5. From the remark about the Gibeonites in verse 19, what do we know about Israelite treaties?
6. What do we learn about the Anakim?
 - a. Who (what) were they?
7. At first glance, verses 21 - 23 seem to indicate that Philistine cities were captured at this time, but what do we later learn from chapter 13:1-6?
 - a. How do we harmonize these passages? (for help, see the last sentence of Joshua 11)
