

## Joshua 12

1. Generally speaking, what does this chapter describe?
2. This chapter is divided into two sections — verses 1-6 and verses 7-24:
  - a. Again, in a general way, what area is described in verses 1-6? (that is, which side of the Jordan river?
  - b. Who commanded Israel in the time addressed in verses 1-6?
  - c. What area is addressed in verses 7-24?
  - d. Who commanded Israel in the victories described in verses 7-24?
  - e. What general description of the promised land had been given to Abraham in Genesis 15:18?
3. In total, how many **kings** were defeated?
4. How many total **nations** were defeated? (see Deut. 7:1 for help)
  - a. Not all of the nations are cited in Joshua 12:8. Which one is omitted?
5. What number is repeated throughout the chapter?
