

## Joshua 15

1. Which tribe's land allotment is addressed in this chapter?
  
2. I would not ask this type of question about most other tribes, but given the natural boundaries of the land of Judah, give a brief description of its land and location:
  - a. Which tribe's land was allotted *within the boundaries* of the land of Judah, and thus surrounded by Judah? (see 19:1 for help)
  
3. By what other name would the "Jebusite" city be known?
  - a. What observation is made about the Jebusites in the last verse?
  
4. Verses 13-19 take up the (chapter 14) story of Caleb's land request: In which tribal area was this land located?
  - a. Who did Caleb drive out in order to acquire this land?
  
  - b. What did Caleb offer to the man who captured Kiriath-Sepher (Debir)?
  
  - c. Who did it?
  
  - d. What did Caleb's daughter then request of her father?
