

## Joshua 16

1. This chapter and the next one describe land allotments for “the people of Joseph,” but who was this? (see v. 4 for help if needed)
  - a. What general land description is given for both of these two tribes in verses 1-3?
  - b. The lands of Ephraim and Manasseh were sandwiched between what two bodies of water?
  - c. Which of these tribes is *specifically* addressed in this chapter? (in verses 5-9)
2. According to verse 9, along with the actual land that Ephraim received, what else were they given?
  - a. What example of this is given in Joshua 17:8?
3. What is the “sea” that is repeatedly mentioned in this chapter?
4. What did Ephraim fail to do regarding the Canaanites who inhabited that land of their inheritance?
  - a. Because of this failure, what did they do with the Canaanites?
  - b. Have we seen anything like this before in our study of the book of Joshua?
