

Joshua 18

1. Where did the Israelites set up the Tabernacle?
 - a. The Ark remained at this place until what event, according to 1 Samuel 4:3-4? *(note: The Ark was an integral part of the Tabernacle. 3. How many tribes had not yet received their inheritance?
 - a. For what purpose were men to be sent out?
 - b. How many men per tribe?
4. After 7 land descriptions and divisions were made, what would Joshua then do?
5. What observation is made about Judah and the house of Joseph?
6. What observation is made about Reuben, Gad and 1/2 of Manasseh?
7. What observation is made about Levi?

9. What very general description of their land is given in verse 11?
10. *Thought question:* Why were some of the place mentioned in verses 12-14 earlier mentioned in chapter 16?
11. What observation is made about “Luz?”
12. Verse 16 mentions the “Valley of Hinnom.” What godless thing was later done in that area? (*see 2 Kings 23:10 for help*)
13. What better known name was given for “Jebus?”
