

Joshua 4

1. Joshua 3:12 had introduced 12 men — one from each of the 12 tribes of Israel, but explained nothing about their function. Joshua 4 now explains their role (see 4:4), **which was to do what?**

2. *This chapter adds information about how long the priests stood in the river bed:* How long were the priests with the ark to stand in the Jordan river bed? (v.10)

3. What happened when the priests walked up out of the river bed? (18)

4. Where were the river stones eventually set up?
 - a. For what purpose were the stones set up? (vs. 6-7, 21-24)

5. As a historical note, what is said about the sons of Reuben, Gad and Manasseh?

6. As we learned from chapter 3, the drying of the Jordan river had certain implications. According to this chapter, what implications did it have and lessons did it teach regarding:
 - a. Joshua? (14)

 - b. Future generations? (6, 7, 21-24)

 - c. Other nations? (23-24)

 - d. Israel at that time? (23-24)
