

Joshua 5

1. What news discouraged and upset the Amorite and Canaanite kings?
 - a. According to Joshua 2:10-11, what similar thing had Rehab cited that produced the same results?
 - b. Though many great miracles had been performed, from Joshua 2:10 & 5:1 what are we to conclude about the impact of these two water miracles?
2. What was to be done according to verses 2-7?
 - a. To whom was it to be done?
 - b. Why did it have to be done at that time?
 - c. When was circumcision to be done according to the original law of Genesis 17:10-12?
3. Two names are given for the place where the circumcisions occurred:
 - a. What name is first mention? (*Optional... Answer this question only if your Bible has a marginal note or if you have easy access to some other source: What did this name mean?*)
 - b. God renamed the place "Gilgal." What was significant about naming the place "Gilgal?"

4. What did the people do after the males had healed from their circumcisions?

5. From this chapter, what do we learn about the manna?

6. Who did Joshua see while standing by Jericho?
 - a. What did Joshua want to know about his intentions?

 - b. How did the “man” identify himself?

 - c. How might Jude 9 help to identify this person?

 - d. What did he have in his hand, and what other prior incidence does the Bible mention of this? (see Numbers 22:23 for help)

 - e. What did the angel tell Joshua to do? Why?

 - f. Who else had been told to do the same thing? (see Ex. 3:5 for help)
