

Leviticus 14

- 1) Leprosy is again discussed in this chapter, but the emphasis is now upon *cleansing*: What two things are cleansed?
- 2) List the *items* that were required for the cleansing process for the leper:
 - a) Describe the cleansing *process* as administered by the priest:
 - b) In what other situation was this process to be used? (*hint: 2nd cleansing discussed in the chapter*)
 - c) What was the cleansed leper to do immediately following the priest's procedure, and where was the leper to live for 7 days?
 - d) What was the cleansed leper to do on the 8th day, and why couldn't that be done before the 8th day?
- 3) List the sacrifices to be brought by the leper:
- 4) Where was the priest to put some of the blood of the guilt offering, and some of the oil? (*hint: 3 body parts*)
 - a) In what other service did we previously see blood placed upon these same body parts? (*hint: someone was ordained*)
- 5) What was to be done to houses that contained leprosy?
- 6) Verses 54-56 provide a summary of the various types of skin disorders and the places and things affected by them: What are these disorders and places?
