

Leviticus 27

- 1) This chapter discusses dedication vows and redemption values:
 - a) Who set the value for humans?
 - i) Verse 8 describes what exception regarding this?
 - b) Who set the value for animals, houses and lands?
 - c) Human values were determined by what two general categories?
- 2) What rule was made with regard to monetary standards? (for help, vs. 3, 25)
- 3) What rule was made establishing the value of family land?
- 4) What percentage was to be added if one wished to redeem an unclean animal, a house, land or tithe?
- 5) What rule is made regarding substitution of animals?
- 6) Why couldn't a firstborn animal be dedicated to the Lord?
- 7) Where was Moses throughout the giving of these instructions?
