

## Romans 3

1. To borrow questions from the apostle Paul,
  - A. What advantage did Jews have over Gentiles?
  - B. What profit was there of circumcision?
2. What is man when he contradicts God?
3. Whose fault is it if man is unfaithful to God?
4. What does Romans 3:8 teach about "the ends justifying the means?"
5. Why were Jews no better off than Gentiles?
6. What does Paul assemble in verses 10-18, and what was his purpose? (hint: look at your cross references to get the answer, and NOTE: I am not asking for the list of scripture references, but for a general answer)
7. What does Paul affirm about "the works of the Law" in Romans 3:20 and Galatians 2:16?
8. How was the righteousness of God manifested, and how not? (21,22)
9. Of what are all guilty?
10. Justification is by faith, but what type of faith? (see Rom. 2:7-8; 6:16; 16:26 and James 2:17-26 for help)
